

# Lansing Soccer Club Coach's Expectations

We, the Board of Directors take the responsibility of coaching seriously and will scrutinize all coaches throughout the season to see that the children's' best interest and the club's best interest are paramount with all coaches. With the above in mind we have devised the following coaches creed for all coaches in our program to follow:

I, \_\_\_\_\_, promise to do my best to help each child entrusted in my care to develop both mentally as well as physically. I understand that this is not an adult league, but a league formed for the children in the community, for their enjoyment, and I will do my best to see that the children enjoy participating in our program.

I, \_\_\_\_\_, as a coach with the Lansing Soccer Club, do hereby promise to:

- follow all rules at all times;
- refrain from using foul language during any practices, game or any other function related to soccer;
- never use alcoholic beverages before or during a practice, game or any other function related to soccer;
- never use tobacco during any practice, game or any other function related to soccer;
- never use illegal drugs;
- never use physical force, strike, hit or inflict physical harm to any child in the program;
- hold in high regard the safety of all children in my care
- attend at least 90% of practices and will follow the league's coaching guidelines;
- contact Director of Soccer Operations or Coaching Coordinator if I am unable to attend a practice or game;
- address all parental complaints to the best of my ability and present all parental complaints to the board when they occur

I understand that I will be removed from the coaching staff, at the Board of Directors discretion, for any of the violations.
